

FSA is now Assured Guaranty Municipal.

THE ASSURED FAMILY NOW PROVIDES THE MUNICIPAL MARKET WITH A CHOICE.

Going forward, municipal bond issuers and investors can rely on two proven sources of financial strength. FSA is becoming Assured Guaranty Municipal Corp., a separately capitalized company focused exclusively on municipal bond insurance. While Assured Guaranty Corp. will continue to serve both the municipal and structured finance markets. And with the additional resources of Assured Guaranty Re (licensed and operating exclusively in Bermuda), the Assured Guaranty family is committed to the needs of the market.
